

About the book

The Art of Human Resource Management is a very practical, easy to understand and yet comprehensive book that's meant for both the Human Resource and Business Leaders. It covers the best practices of the industry and addresses some of the more challenging issues faced by HR and Business Leaders in today's workplace.

The aim of this book is to enable the readers to apply easy ways of being on top of the business strategies whilst staying current with the changes and challenges confronted by the business. It is meant to stimulate the reader's thinking about how HR has transformed itself and what HR and Business Leaders can do to enhance Individual and Business Excellence.
